

QUICKSTEPS

EDITORIAL TEAM

QUICKSTEPS is a triannual e-bulletin published by the English Unit of Politeknik Tuanku Syed Sirajuddin, Arau, Perlis (PTSS). Started off in 2013, QUICKSTEPS was then published in printed form. However, in supporting the "Go Green" campaign and concern about the environment, June 2018 witnessed its first publication on the official website of PTSS as an electronic bulletin. Through this mechanism, our QUICKSTEPS is now available to everyone without boundaries. QUICKSTEPS has gone a step further in promoting English writing by opening opportunities for writers, not only from PTSS but also from other organisations.

As time goes by, the members of the bulletin's editorial welcomed new faces onboard Quicksteps Editorial Team. With a promise to continue providing opportunities for writers out there to express and share their thoughts and experiences, here at Quicksteps we will do our best to provide readers, with casual and informative readings in this triannual online publication.
